## FREELANCE WEB DEVELOPER

# MACHRUS TOHIR

## EDUCATION

STMIK ASIA  
MALANG

2013-2017

I graduated from STMIK Asia Malang with a degree in Informatics Engineering, completing my studies in 3.5 years with a GPA of 3.49. During my time at university, I developed a strong passion for web development and have been dedicated to creating and maintaining websites ever since.

Wearnes  
Education  
Center

2011 - 2012

My Experience in this academy was very nice, because in here i learn Algorithm and i learn Qbasic also Visual Basic and PHP native.

## MY EXPERIENCE

National Research And  
Development Agency Indonesia

Web Developer

2019 - Now

nomenclature of my institution was substitute for 3 time first nomenclature was Kemenristekdikti, changet to Kemenristek/BRIN and now change with BRIN only and my experience is.

1. I Join For Building SiMARIN |  
<https://simarin.brin.go.id/>
2. i Join For Building SI JafRI  
<https://sijafri.brin.go.id/>

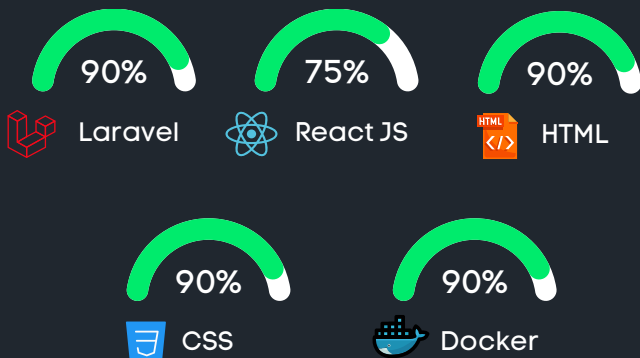

PT.Bank Rakyat Indonesia

Bisnis Division

2017 - 2019

My experience is particularly unique as, in addition to integrating APIs with company partners, I also contributed to the development process and assisted in marketing one of the largest state-owned enterprise's API features, which achieved the highest capital gain.

## MY SKILLS

## INTEREST

### Freelance

I am a civil servant so in doing this job I need to devote around 4 hours a day after my work hours are over
